

The procedure of registration of patents for the Moscow region

upstairs To obtain the patent for foreign citizens wishing to work in the Moscow region in the United Migration Center EMC located in Krasnogorskiy district, Putilkovo, 69 km MKAD, business center Greenwood korp. 5-6. All the necessary information you can learn by phone +7 495 755 9000. On weekdays the centre is open from 7 am to 20.00. On weekends from 9 to 18.00. To get to the United Migration center by taxi or bus number 892 from the Mitino metro or from the metro station shodnenskaya bus Greenwood From from Khimki station, Khimki bus number 26 route taxi № 326 Tushinskaya metro station-route taxi № 326 15 minutes interval From Krasnogorsk - route taxi № 26. Once you have arrived in the UMC, you need to take a turn about the building №12. When you enter the building, be prepared to present the migration card to the passport detachable part of the notice on statement on the migratory account of color photos on matte paper of 3x4. Then the migrant will be asked to pass a medical examination and testing for knowledge of Russian language history of Russia and its laws. Besides who wants to work to a foreigner on the same day will have to pay a fee for the services of EMTs. Medical examination is in building 5-entrance 2. Usually in this place accumulates a lot of people but the line moves very slowly. During the medical examination of migrants have to pass a blood test undergo chest x-rays and make prints. All data will subsequently be listed in the common database of the FMS. Testing for knowledge of Russian history and basics of Russian legislation is the next step in obtaining a patent. Sitting at a computer, you will need to answer 20 questions. The test is considered successful if the correct answer more than 50%. Testing courses is by appointment only. Here you will also find a special paid training courses to it. If the foreign citizen failed the first time to take the test he provided several possibilities of truth behind it again will have to pay. The results will be known in five days. Arriving for the results of the test of medical examination you must submit on the same day all the documents for a patent. In other words you must first queue for receiving the results and then another for filing. In the center of delivery of documents a foreigner gets of gotowy package of documents for registration of a patent certificate about absence of HIV certificate testing of medical report documents confirming payment of all services to the UMC translation of the passport LCA policy statement on the issuance of the patent. After 6 days on his phone will receive a message stating that a patent is ready. It is a signal that
